

Having a fundraiser is a great way to build awareness, do advocacy and raise funds to help, all at the same time.

What's more, you are multiplying your impact to save lives and empower change for people with albinism.

100% of funds raised always go directly to programs in Tanzania. That's because a UTSS benefactor covers all administration costs.

DONATION FREQUENTLY ASKED QUESTIONS: See our FAQ page on the UTSS website – <http://www.underthesamesun.com/content/faq>

FAQ # 1 – Which items can be shipped to Tanzania?

FAQ # 2 – Is Under The Same Sun a “legitimate” charity and are my donations being used honestly?

FAQ # 3 – How do I send monetary donations to UTSS?

FAQ #4 – How do I do a fundraiser for UTSS?

ALL DONATIONS WILL GO TO Under the Same Sun’s Education Program (unless arranged otherwise with UTSS ahead of time). This is our flagship program, offering education grants to keen and dedicated students with albinism demonstrating a need for financial or other schooling assistance. Beneficiaries are grantees for primary, secondary and all levels of higher learning up to PhD levels. Due to the multiple attacks on PWA in Tanzania, hundreds of children were herded into 9 Government centers throughout the country for “safe keeping”. The extreme overcrowding and poor living conditions in these centers compelled UTSS to relocate hundreds of these “displaced children” into higher quality private boarding

schools. The Education Program covers the costs of tuition, books, school supplies, uniforms and living needs. It also covers medical services for grantees, as needed and ensures that they get protective gear including sunscreen lotion and low vision devices. These students will be future models within their own society of all that people with albinism can be when given equal opportunity. This is our greatest “weapon” against discrimination and our most powerful source of educating and advocating a culture towards change. **(Donations are not used for administrative expenses related to our office, staff salaries or travel expenses etc.)**

Your shared concern for people with albinism in Tanzania makes you a partner of UTSS in this vital cause.
